

# Living Outside Campus

## Advice for students

Living outside campus can be a great experience, but it also comes with responsibilities. You need to be aware of the rules and regulations of your accommodation and the University. You should also be aware of the local area and the people you are living with. It is important to be respectful and to follow the rules. You should also be aware of the local area and the people you are living with. It is important to be respectful and to follow the rules.

### Your Responsibilities

Living outside campus can be a great experience, but it also comes with responsibilities. You need to be aware of the rules and regulations of your accommodation and the University. You should also be aware of the local area and the people you are living with. It is important to be respectful and to follow the rules.

*Whilst you are at University you are our Ambassador, how you behave is how the University as a whole will be perceived. You are our best advertisement.*

### Anti-Social behaviour

Anti-social behaviour is a serious issue. It can cause a lot of problems for the community. You should be aware of the rules and regulations of your accommodation and the University. You should also be aware of the local area and the people you are living with. It is important to be respectful and to follow the rules.
